PERFORMANCE UPGRADE KITS

Cross Auger Shutoff
Cross Auger Shutoff will empty out the unloading auger and reduce next time start-up torque.

Adjustable Auger Spout
Provides the ability to pivot the unloading spout for more accuracy.

Cornhead Active End Fenders
Reduce harvest losses in downed or leaning stalks. They may be turned on and off.

LED Light Upgrades
Improved and consistent lighting for low light conditions.

FREE SERVICE CALL

for NEW John Deere Financial Customers

Save with **AHW Rewards** and earn up to a **5% Rebate** on parts and service at any of our 18 locations. It's Easy... No sign-up is required as long as you have a current JDF account. And with the AHW Customer Loyalty Program: Earn AHW gift certificates to redeem for John Deere merchandise with every \$1,000 you spend on your **Multi-Use Account** from John Deere Financial, plus exclusive financing offers!

PROTECT YOUR EQUIPMENT WITH A 12 MONTH EXTENDED WARRANTY

UP TO 10 YEARS OLD!

Machines inspected and repaired by AHW are now eligible* for AHW Protected Extended PowerTrain Warranty.

In addition to the 12 month John Deere Parts warranty, cover your machine for possible major repairs with **AHW Protected** Extended PowerTrain Warranty.

Find the coverage that fits your operation: 300/400/500/600 hour options available.

*Some restrictions apply, ask your local service department for pricing
